

TOP QUEST CONSULTANTS LTD

"Your Partner in Business Excellence"

Company Profile

About us

Top Quest Consultants Limited is a training and consulting company specializing in food safety, quality and ISO standards. We work with various organizations ranging from large to small and medium enterprises to enhance implementation of food related and quality standards to ensure food safety and quality of products and services. This has enabled SMEs to achieve ISO certification and compliance to national, regional and international standards in food safety and Quality.

Our personalized one on one online trainings have enabled professionals to acquire knowledge in ISO and be competitive in their areas of expertise.

APPROVED

Top Quest Consultants Limited is a certified training provider with the **National Industrial Training Authority (NITA)** Reg. No. **NITA/TRN/1626**, hence our clients can apply for reimbursement.

Vision

To be a world leader in provision of management solutions to organizations.

COLLABORATION

Value Proposition

We live out our company motto "Your Partner in Business Excellence" by developing a working relationship with our clients. We go out of our way to meet areas of need in our clients that are not necessarily part of the contract but that are within our area of expertise with the motivation of seeing our clients excel and achieve certification.

Above all, we support our clients through hands on training, documentation and guided audits so that they can develop and implement these standards and efficiently run organization based on proven international systems.

Face to face and online personalized trainings are flexible hence the trainees can attend the training at the comfort of their offices or homes.

Our close coordination with reputed certification agencies like Kenya Bureau of Standards (KEBS) & SGS ensures that our certificate has the proper national and international recognition.

We offer in-house training where we go to the client's office, this saves on travel and accommodation costs and open courses are offered at the preferred venue of the client.

Team Expertise

Our team has experience of training different companies: hospitals, food industries, supermarkets, banks, construction companies, hotels, insurance firms, government agencies, logistic firms & learning institutions.

Our Trainers, Consultants and auditors are recognized nationally and internationally.

They are drawn from:

- In house professional consultants
- Trainers and auditors approved by KEBS & SGS and lead auditors in their areas of expertise
- Top specialists in other relevant professional areas
